2009

This sporty Galeon 325 Open combines style, comfort and performance in one manageable weekend cruiser.

Galeon 325 Open

Step aboard this beautiful Galeon 325 Open, a sporty and stylish cruiser with the solid and modern construction Galeon is known for. This Galeon is equipped with two efficient Volvo Penta D4 260 hp diesel engines, ensuring impressive performance, smooth cruising comfort, and excellent fuel economy.

The hull is built by the shipyard using vacuum infusion technology, which ensures exceptional stiffness and a 20% reduction in weight, resulting in optimal maneuverability and safe and sporty handling.

This 325 Open is equipped with the following options:

- Victron inverter, which provides An reliable power supply on board.
- Webasto diesel hot-air heating, for comfortable sailing in all seasons.
- Hot water boiler on 220V & engine heat.
- Bow thruster
- Extended swimming platform, originally placed by the shipyard.
- Electric anchor winch with polished stainless steel Bruce anchor.
- 2 refrigerators, inside the cabin & outside in the cockpit.
- Ceramic hob (Wallas, diesel).
- Fusion Hi-fi audio system with dual controls.
- Electric toilet

The spacious cockpit offers a wonderful water experience and excellent all-round visibility. Here you'll find a divan, a sun pad, a comfortable sun chair next to the driver, and a wet bar equipped with a sink and refrigerator. The foredeck also invites you to relax with a generous sunpad, while the gleaming stainless steel Bruce anchor adorns the bow.

Inside the Galeon 325, you'll find two enclosed cabins with spacious beds, a practical galley, and ample storage. The high-quality finish and clever layout make for a comfortable stay on board, even during longer trips. As in previous years, this boat will soon be launched and prepared for the upcoming sailing season.

Basic Information
