Year

1998

A neatly maintained Linssen from the second owner.

Linssen Dutch Sturdy 320 AC Royal

!! Sold subject to contract !! In 2017, we had the pleasure of offering this beautiful Linssen Dutch Sturdy 320 AC Royal for sale on behalf of the then-first owner, and now the time has come for the second owner to also grant our brokerage the privilege of searching for a new enthusiast.

The first impression immediately gives a very good picture of the attention and love this ship has received. The hull and superstructure have recently been professionally polished, the teak deck has been treated, and the fender rail and the entire sprayhood have also been recently renewed.

Not only is the exterior in top condition, but inside you will also find a very neat interior that has been treated with care. The same applies to the engine room, which is equipped with a quiet and economical 78 hp 4-cylinder Volvo Penta with 1,892 hours of operation.

Upon entering, it is immediately noticeable that the light-filled salon feels very spacious due to the good headroom, the large windows, and a large tiltable skylight. The windows are partly double-glazed, and two of the windows in the salon can be opened, allowing for a pleasant breeze even on warm days.

In the bow, you will find the galley, a cozy circular seating area that can be converted into a bed, and a generously sized wet room equipped with an electric toilet.

The aft section features a double bed on the starboard side and a single bed on the port side.

If you are looking for a neatly maintained and practically laid-out Linssen, we would like to invite you for a viewing of this Dutch Sturdy 320 AC Royal.

Basic Information

General
