steel

Motor

Vetus P4.19 diesel 4-cylinder 37.9 kW/52 hp with Techno Drive TMC 60M gearbox, fixed propeller shaft and three-bladed Vetus propeller.

Berth**Year**

2001

Beautiful Rogger 950 AK “Delight” from 2001, completely repainted in 2025, solidly built at Termeer Yachting with a classic mahogany interior, 6 berths, shower/toilet, and a spacious saloon.

Rogger 950 AK

Sometimes you come across a ship where it is immediately clear that everything is right. A yacht that has been maintained with an eye for detail and great passion, and has received the proper care from day one — with only one owner couple during its lifetime.

Unfortunately, life does not always go as planned, meaning the sale has come sooner than hoped. After a complete professional paint job in 2025 and numerous recent upgrades, this ship is fully ready to set sail immediately and experience new adventures.

The connoisseur immediately recognizes that this is no standard Rogger. Over the years, significant investments have been made in upgrades, including stainless steel railings, a highly polished stainless steel anchor, indoor and outdoor showers, a boiler, an inverter, diesel hot air heating, a deck wash pump, and an electric toilet. Additionally, the vessel is equipped with an electric/hydraulic steering system, enabling remote control.

The addition of “XL” refers to one of the most special modifications: not only has the aft deck been enlarged, but the hull has also been lengthened. This provides extra interior space, more storage capacity in the swim platform, and improved handling.

The interior feels pleasant and offers a remarkable amount of light and space, thanks in part to five sliding/tilting windows and a skylight/escape hatch.

If you are looking for a ready-to-sail and very meticulously maintained vessel with a remarkable amount of space for its length, we would be happy to schedule a viewing for you.

Basic Information

General	
Boat Name	Delight
Last Serviced	2025
Where	Termeer Yachting, Veen
Year	2001
