2007

This Linssen GS 29.9 AC is in excellent condition and offers the space and comfort of a 10.50-meter vessel.

Linssen Grand Sturdy 29.9 AC

!! Sold !!! A 'space wonder', that is the first thought that comes to our minds when we see this ship. The way in which Linssen has designed this boat can be called special, because despite the limited dimensions, in our view this boat offers everything you can and may wish for without you feeling, that a compromise has been made. Not only is the space optimally used, this boat is also in a fantastic condition and has a long list of options that make staying on board & sailing particularly comfortable. Bow and stern thruster, electric windlass, chart plotter, autopilot with wireless remote control, Webasto hot air heating, forward sleeping cabin with French bed and ensuite bathroom and separate toilet and aft a double bed with a second ensuite toilet and a z.g.a.n. convertible top over the entire aft deck. In 2019, the teak deck has been re-rubbed + sanded, the curtains have been renewed, the Gebo windows have new seals and the convertible top has been renewed. In 2021, the batteries were renewed and in 2022, the underwater hull received new antifouling. The owners are currently still enjoying their beautiful ship and exploring the waters of Brabant, if desired, we are happy to make an appointment for a viewing on board at a location to be determined.

Basic Information
